LIBRARY REPORT FOR 1978

The Miner Memorial Library has had some changes in 1978. A gas fired toilet has been installed by the Friends of the Library Group. The trustees are most grateful to the Friends for the enormous amount of time and effort that went into the fund raising necessary for this project. The Friends have been consistently generous in providing many things that our regular budget cannot cover.

The Librarian reports that there have been a number of new patrons this year and that we have again received numerous gifts. In addition we have joined a book club this year which provides us with a source of low cost novels.

The Library is open each Tues. from 10 a.m. to 4 p.m. and from 7 to 9 p.m., except during the most severe part of the winter. Trustee meetings are held at the library the 3rd Tues. of March, July and November.

Respectfully,

Library

PLANNING BOARD REPORT 1978

During 1978 the Planning Board reviewed 6 subdivisions, involving 15 parcels. After final plats were received and abutters' hearings held, the board approved the following: Major (3 or more parcels) - those of Harold Smith and of Harold and Myrtie Starkey; Minor (two parcels) - those of Horace Cragin, Barry Wade, Olga Golonka and David Hamel. The subdivision of Edward and Marion Kosotsky is still incomplete. 18 building permits were issued for the non-flood plain area by B.C. Whiting, building inspector.

In July, and after many months of preparation, the board, in conjunction with the Conservation Commission, distributed nearly 750 copies of the Town Questionnaire, seeking the advice and opinion of both resident and non-resident landowners on questions of land use and future growth in Lempster. Response to the survey was very good, in that 64% of residents and 26% of non-residents returned their questionnaires. A general meeting to discuss the results was held on September 11 at the Town Hall, where more than 100 attended. A summary of the results follows.

Most people who answered the complete questionnaire felt that Lempster is a good place to live because of its uncrowded conditions and would like it to remain rural, have only slight population growth and have that growth located in and around village centers. By a large majority, most favored small home-based businesses and small retail shops, while strongly opposing heavy industries and shopping centers as types of future growth in town. A majority felt that multiple dwellings or condominiums, if allowed, should be restricted to certain areas of town and that mobile homes should be restricted either to limited areas or to mobile home parks. Most felt that the town should adopt minimum lot size requirements, should designate certain areas of town according to their use (such as farming, woodland, residential, business, etc.), and felt that certain areas of town should be set aside for recreational purposes. 52% were in favor of zoning to provide for orderly development of the town. (53 persons wrote on the top of the questionnaire in nearly identical wording that they felt the survey was 'slanted in favor of zoning', and answered only this one question with a no-zoning vote.)

Of those who answered the entire questionnaire and were residents, more than half have lived in Lempster for over 8 years - of these, 30% for over 20 years. An overwhelming majority of both residents and non-residents expect to live in town 10 years from now. And finally, most were not in favor of serving on a citizens' committee to study this matter of planning growth for Lempster.

In an effort to abide by the feelings and opinions expressed by residents and non-residents, the Planning Board is currently reviewing the land use ordinances of many neighboring towns. The board is asking for help from interested persons in town to plan this future growth. Those so willing may contact any member of the board, or simply attend any board meeting.

The Planning Board meets the first Monday of each month at 7:30 p.m. at the office in East Lempster. All are encouraged and welcome to attend.

Respectfully submitted,
William Hamilton

LEMPSTER BICENTENNIAL COMMITTEE

The Bicentennial Committee purchased 66 metal chairs for use in the Town Hall.

The old direction sign has been restored and is back on the Common.

For the comfort of Lempster citizens we placed 2 picnic tables with benches in the Town Hall playground.

Since this will be our last year as an organized committee, we are turning over our memorabilia to the town in care of the Lempster Historic Society.

Arthur J. Randall, Sec.-Treas.

REPORT OF LONG POND TOWN FOREST COMMITTEE FOR YEAR 1978

The Committee had a portion of the woodlot on the Perkins property cruised by the State Forester Mr. Syms, who found about seventy thousand feet of timber ready to cut. Bids were called for and a contract was made with Durgin and Crowell Company to harvest the marked trees.

During the summer the C.E.T.A. group under the supervision of Steven Harrison cut the dead trees around the beach area at the pond and also cleared the rights of way to the pond.

The wood was donated to the Town Highway Department to use in the new furnace at the Town Garage.

We held our annual town picnic on July 4th at the beach, which was enjoyed by all who attended. We hope to have another picnic this year.

LEMPSTER CONSERVATION COMMISSION

The Lempster Conservation Commission was established two years ago in 1977 by vote of the town meeting. The enabling act of the N.H. Revised Statutes Annotated charges the Commission to insure protection and proper utilization of the community's natural resources; research local land and water areas; coordinate unofficial environmental groups; index open space, natural, wetland, ecological or aesthetic areas and state and municipally owned lands; and provide a plan for the proper use of these areas.

It allows the Commission to accumulate funds from year to year; to cause local review of proposed dredge and fill projects; to hold public information meetings and to receive gifts of land, other property including funds, and lesser interests in land. The Commission has no right to acquire land by eminent domain.

Your Commission has begun work on research into the land and water resources within Lempster's boundaries in order to keep an index of all open space and wetlands. The information obtained from the town questionnaire compiled along with the Planning Board last summer is the basis of our present work.

The Commission continued many projects begun in 1977, including work on clearing a Nature Trail on Town Forest land at Long Pond and recycling scrap metal at the town dump. It aided the seventh grade students at the Goshen-Lempster School in an Arbor Day tree planting and sponsored Lempster Clean-Up Day on May 6 and a Spring Birdwalk on May 28. A well-attended talk about the Common Loon was held on August 12 in conjunction with the Long Pond Association and many citizens expressed interest in continued activities of this kind. The Commission sold wildlife plants at the Grange Fair in the Fall as a fund-raising and educational project.

Your Conservation Commission meets on the last Tuesday of every month at 7:30 P.M. at the Selectmen's Office. Any interested citizen is **urged** to join us.

Respectfully submitted,

Conservation Commission

REPORT OF THE FIRE CHIEF

This year we had a reduction in total fires, but an increase in chimney fires.

Several of our fire personnel have taken courses on various aspects of fire fighting this year. We purchased two MSA self-contained breathing apparatus. Many members have drilled with them to become familiar with their use. The purchase of a new thirty-six foot ladder and a chainsaw has also added to our fire fighting ability.

Difficulty in hiring a contractor slowed progress on our new overhead doors. Our furnace has been repaired, and our water problems hopefully cured. New lighting has been installed, and materials have been purchased for other building improvements.

Many, many hours have been spent by the members of this department, my thanks to them.

Respectfully submitted,

Philip J. Tirrell, Chief

REPORT OF DISTRICT FOREST FIRE CHIEF AND YOUR FOREST FIRE WARDEN

For more than 80 years, a cooperative effort between the State of New Hampshire and local forest fire authorities has created a forest fire prevention and suppression program that is recognized as superior throughout the United States.

Since the first forest fire laws were written in 1895, the state and local community governments have worked together to prevent and combat forest fires.

Today, 249 forest fire wardens and more than 1,800 deputy wardens are appointed every three years by the State Forester to work with the members of the State Forest Fire staff in this effort. State funds are used to pay one-half the cost of forest fire suppression costs incurred by local forest fire organizations, within pay rates established by the Governor and Council. State funds matched by local funds are used to purchase hand tools to suppress forest fires, to train local forest fire crews and in forest fire prevention work.

All outside burning, when the ground is not covered with snow, is permitted only after obtaining a written fire permit from your local Forest Fire Warden. Penalty for burning without a permit when one is required is a misdemeanor punishable by a fine up to \$1,000 or a jail term of up to one year or both.

REMEMBER, ONLY YOU CAN PREVENT FOREST FIRES!

LEMPSTER HISTORICAL SOCIETY

The Lempster Historical Society has continued to be active during 1978. The group is continuing in its efforts to gather material in preparation for writing a town history. A town picnic was sponsored on July 4th and held at the beach at Long Pond. A committee was formed to investigate repairs to the town hall and this project is now underway. The Historical Society also sponsored a speaker at our fall meeting who spoke on the history of Shakers in New England.

Meeting dates for the Society are the fourth Wednesday of January, April, July and October. All are cordially invited.

SUMMARY OF TAXABLE PROPERTY

REPORT OF HEAD TEACHER

There exist many efforts and activities that our faculty members and students are involved in on a daily basis. These functions are available and open for observation by the public at any time during the school day. Some of the events that are not common occurrences often go without mention. The following is the 1978 calendar of special events at the Goshen-Lempster School:

January

12th - An electrical knowledge and safety program was presented to Mrs. Longenecker's fourth and fifth grade classes. The representatives of the Public Service Company of New Hampshire introduced concepts on parallel and series circuits. They also demonstrated very important safety procedures.

February

2nd - Poland was visited via a slide presentation by Ronald Waring. The International 4-H Youth Exchange delegate gave an interesting account of his recent travels; the students had many questions for Mr. Waring to answer.

10th - A school food sale was conducted by Mrs. Longenecker's class. The students sold assorted pastries in an effort to support their classroom library corner.

In the evening a Valentine's Dance was sponsored by the eighth grade class. Attending were fourth through eighth grade students and their friends.

13th - A fire-safety contest was held by the Goshen Fire Department. First grade students colored pictures, second through fifth made posters, and sixth through eighth wrote essays. The competition was judged by members of the Fire Dept., and cash prizes were awarded.

18th & 19th - **The Ghost from Outer Space and Terror Walks Tonight** were produced by sixth, seventh and eighth grade students. The production was the result of an unselfish effort put forth by Mrs. Ruth LeClair and other members of the Lovewell Drama Company who helped the students. There were many hours of rehearsals for the plays, after which Mr. and Mrs. LeClair transported the youngsters to their homes. The students were introduced to the various workings of a theatrical production (staging, acting, lighting, advertising, financing, etc.) Hard work, nervousness, then production and a sigh of relief - "Ah, the play is done, but it was fun."

March

16th - India was the subject of Heather Shurburne's presentation to a student assembly. The International 4-H delegate exhibited slides of her travel and artifacts of the Indian culture.

18th - A spaghetti dinner was held by the eighth grade class just prior to the School Meeting at the school. The students organized the full course dinner under the guidance of Mrs. Linda Smith; community members had their choice of salad ingredients, beverages, side dishes, and desserts.

April

4th - Mr. Harrison accompanied the eighth grade on a field trip to Mystic Seaport in Connecticut. The students visited whaling and seaport museums in a colonial seacoast setting. The highlight of the trip was the boarding of the Charles Morgan, the last remaining whaling vessel.

14th - A spring dance was sponsored by the eighth grade class. Several parents chaperoned the evening event.

18th - A fire drill was conducted by the Lempster Fire Department, under the direction of Chief Phillip Tirrell and accompanied by Fire Warden Steve Flynn. The morning evacuation was speedy and orderly.

May

3rd - In preparation of Sun Day (a celebration of solar energy), the sixth and seventh grade students constructed three parabolic solar cookers as a science project. The cookers, with a 16 square foot base and a three foot depth, were made of cardboard and aluminum foil. The students solar cooked several pounds of hamburgers and hot dogs.

The seventh grade planted several saplings in front of the school. The young trees (a hemlock, a pine, an oak and two maples) were provided by Shawn Donovan of the Lempster Conservation Committee.

10th - The Title I Reading Improvement Staff held an evening workshop for parents of Title I students. Mr. Ronald Purmort (full time reading aide), Mrs. Susan Currier (Home Visiter), and Mr. Robert Mullen (remedial reading) made themselves available for questions and answers about the program.

19th - Mr. Purmort and his Title I students went on a field trip to Warren, New Hampshire, where they visited the Morse Museum, a fish hatchery, and portions of the White Mountains.

27th - Mr. Harrison and Mr. Bonfiglio accompanied the eighth grade class to the Riverside Amusement Park in Agawam, Massachusetts. The day of fun was in celebration of the student's soon to happen graduation.

29th - The greenhouse was opened to the community as the seventh grade began their sale of tomato and pepper plants. The plants, started in February, were transplanted, nurtured and prepared for sale by the students in an effort to boost their class treasury.

June

9th - Mrs. Fellows and her special education class made a field trip to Benson's Wild Animal Farm. Mr. Edward LeClair provided the transportation.

13th - The cow and its biological function was presented to first through fifth grade students. The outdoor program, demonstrated by two Sullivan County extension representatives, illustrated how the cow functions and what care it needs. Several students tried their hand at milking a cow.

15th - Mrs. Longenecker's fifth grade class produced a play, **The House is Haunted**, for members of the school.

16th - Mrs. Longenecker accompanied her fourth and fifth grade students to Benson's Wild Animal Farm. Mrs. Edward LeClair, Mrs. Robert Lohman and Mrs. Jerry Strout provided the transportation.

20th - The school year concluded with eighth grade graduation at the Goshen Town Hall, with the Reverend John Barlow giving the Invocation and the Benediction. The class Valedictorian was Pamela Bailey; the Salutatorian was Lisa Millwood, and Patricia Bailey took Third Honors. Mr. Alan Peterson conducted the music and introduced a new music-slide program portraying each graduating individual. After the ceremony the graduates crossed the street to the Goshen Grange where the Parent-Teachers Club had organized a reception.

September

Mrs. Michelle Feins (speech therapist) joined our staff for the new school year. She works with several students on two mornings each week. Before coming to Goshen-Lempster, Mrs. Feins was employed by Southwestern Community Services as a speech therapist for the Head Start programs in Newport, Claremont and Keene. Before coming to New Hampshire, she was a speech instructor at Seaton Hall University, South Orange, New Jersey. Mrs. Feins is presently a member of the American Speech and Hearing Association.

A guitar instruction class was initiated this year by Mr. Peterson. He currently has six beginners with whom he meets every Wednesday afternoon.

October

7th & 8th - An art display of works by Goshen-Lempster students was exhibited at the Goshen Town Hall. Mrs. Jan Struble, the art teacher, organized the showing as part of the Goshen Old Home Day festivities. This was the first annual Goshen-Lempster Art Show.

13th - The sixth, seventh and eighth grades made a field trip to the Boston Museum of Science. The students, accompanied by Mr. Harrison, Mr. Bonfiglio and several adult chaperones, enjoyed a full day of science exhibits, special energy presentations, and a look at "The Stars Tonight" in the Hayden Planetarium.

27th - The Parent-Teachers Club sponsored a Halloween party at the school. The event was extremely well organized with games, costume contests, and dunking for apples. Meanwhile, at the other end of the building, members of the Lovewell Mountain Drama Company were conducting an eerie ghost walk for those who dared.

28th - The eighth grade class sponsored a Halloween dance. The students fully organized their committees to handle financing, music, refreshments, and chaperones.

November

15th - Open House began with an assembly of parents, students and teachers. Student representatives from each class spoke to the assembly, telling of their school activities. Some students had short messages, some read stories they had written, and Mrs. Longenecker's class performed a puppet show entitled "A Routine Day in the Fourth and Fifth Grade". Then slides of daily school activities were shown. Following the assembly the parents dispersed to the classrooms. Refreshments were provided by the eighth grade class.

During the latter part of November, the Parent-Teachers Club purchased very pleasant light green curtains for the school cafeteria.

December

20th - Mr. Alan Peterson conducted a Christmas assembly in which all members of the school participated. A number of parents were in attendance as individual classes sang their selections, several students performed solo, and finally everyone joined in song.

Many of the aforementioned events were made possible by community members and organizations; high caliber people whose only motive is giving - a refreshing reminder that the school is not simply in our community, it is a part of our community.

Respectfully submitted,

John Bonfiglio, Head Teacher

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of the Goshen-Lempster Cooperative School District:

ENROLLMENT . . .

The present student body totals 131 in Grades 1-8. Next year we expect several rooms will exceed the State Minimum Standards:

Grades 1-2 . . . 25 Maximum

Grades 3-8 . . . 30 Maximum

Furthermore, these are double grade combinations which create a more difficult teaching situation.

Sixty-two are attending high school: 6 at Sunapee; 1 at Stratton Mountain; 3 at Claremont; and 53 at Newport.

PUPIL STATISTICS. . .

School enrollment for the last five years may be of interest:

Sch. Yr.	G R A D E S								Sp.	Tot.	Tui.	Gr.
	1	2	3	4	5	6	7	8	Cl.			Tot.

Part-time personnel are:

Alan Peterson	Music - one day per week
Jeannette Struble	Art - one day per week
June Buck, R.N.	School Nurse

FINANCES . . .

The subject of comparative school costs usually brings out that most school districts in New Hampshire are struggling to meet basic educational needs in a period of "galloping" inflation.

Based on the 1976-77 school year:

STATE ELEMENTARY AVERAGE COST - \$1,148 per pupil
 GOSHEN-LEMPSTER AVERAGE COST - \$ 808 per pupil

District	Elemen. Sch. Cost Per Pupil	*Rank (1-254)	Equal. Val. Per Pupil	*Rank (1-154)	Sch. Tax Rate per \$1,000 Equ. Val.	*Rank (1-154)
CROYDON	\$ 1,086	64	\$ 90,019	44	\$ 12.72	116
CORNISH	935	99	65,910	71	16.54	91
GRANTHAM	1,801	5	294,194	5	5.74	150
GOSHEN — LEMPSTER	808	138	98,266	39	9.51	132
MARLOW	1,211	31	66,737	70	25.72	15
PLAINFIELD	996	83	70,106	64	17.35	77
UNITY	597	153	82,963	52	11.07	121
WASH.	1,142	46	417,240	3	3.59	152

*Rank - HIGHEST - 1 to LOWEST - 154

IMPROVEMENTS . . .

A new oil burner has been installed which should provide greater efficiency - especially needed at existing fuel oil prices. Another well has been driven and tied into the existing one. This should eliminate the water shortage that had been with us for a number of years.

BUDGET . . .

The proposed 1979-80 budget calls for a smaller-than-usual increase with an estimated increase in the amount to be raised in taxes of 3%. Part of the smaller increase is caused by a drop in the amount for tuition as well as an estimated sizeable balance from the 1978-79 tuition account.

We are experiencing a higher-than-normal drop-out rate among high school students. Although this reduces Goshen-Lempster's obligations to pay tuition, it is regrettable that several youth will not complete a high school education. Hopefully, some of these will come to appreciate the value and needs of this minimum training and take steps as young adults to gain high school equivalency status under several existing programs.

BUILDING PROPOSAL . . .

Last spring the Special Education Program and facilities were evaluated by representatives from the State Department of Education. These facilities (within the Activity Room Area) were given only temporary approval for one year - the school year finishing June 30, 1979.

An architect was engaged to make a study for alterations and additions to the building. Briefly, his proposal would provide a "Master Plan" for future construction, a room for Special Education, and some enlargement of the Library and Teacher Planning area. This would include a new roof with a supporting structure in several parts of the existing building.

As you consider this proposal, keep in mind that the roofs on the original building are at the end of their useful life. A Warrant Article calling for borrowing \$95,000 over five years is included for your consideration. Forty-percent of this amount would be -re-imbursed from State Building Aid. This space problem will not solve itself.

Respectfully submitted,

Gordon B. Flint
Superintendent of Schools

**SCHOOL WARRANT
THE STATE OF NEW HAMPSHIRE
NOTICE: POLLS OPEN FROM 4 - 9 P.M.**

To the Inhabitants of the Goshen-Lempster School District, qualified to vote in District affairs:

You are hereby notified to meet at the Goshen-Lempster Cooperative School in Lempster on the 24th day of March 1979 at 4 o'clock p.m. to act upon Articles 1, 2, and 3, the meeting to be recessed and opened again at 7 o'clock p.m. to act upon the remaining Articles in the Warrant. (Articles 4 through 10.)

ARTICLE 1. To choose a Moderator for the ensuing year.

ARTICLE 2. To choose one Member of the School Board from Goshen for the ensuing five years.

ARTICLE 3. To choose an Auditor for the ensuing year.

ARTICLE 4. To hear reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

ARTICLE 5. To see if the District will vote to raise and appropriate the sum of \$269,254.75, as recommended by the School Board, for the support of schools, for the payment of salaries of School District Officials and Agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of available income estimated at \$17,798.00.

ARTICLE 6. To see if the District will vote to raise and appropriate the sum of \$95,000.00 by issuance of its notes or other evidence of indebtedness for the alteration and enlargement of the Goshen-Lempster Cooperative School.

ARTICLE 7. To see if the District will vote to delegate to the School Board the power to determine the terms and conditions of any borrowing authorized under the previous Article.

ARTICLE 8. In the event that Article 6 of this Warrant is adopted, to see if the District will vote to raise and appropriate the sum of \$2,850.00 to cover interest payments due six months after indebtedness is incurred.

ARTICLE 9. To see if the District will authorize the School Board to appropriate receipts from Federal lunch reimbursements, tuition, gifts, and other receipts from miscellaneous sources, in addition to the original appropriation for 1979-80 for the school lunch program, general expenses, equipment, and improvements.

ARTICLE 10. To transact any other business that may legally come before this meeting.

Given under our hands at said Lempster this first day of March 1979.
